

Love Boat Challenge Sparked Quick Thinking

High Rollers visited the Venetian this week to celebrate the holiday of love.... Love of TRC that is. Teams selected two lucky members to take a ride and participate in a special TRC challenge on the Love Boat to test their sponsorship knowledge. All teams did so well in the challenge and thought quick on their feet to not use those pesky buzz words. Allow a close challenge, Tiernan's Eleven represented by Tiernan herself and Aaron Rickelman won by one close point. Congratulations all on a job well done!
