

COVID-19 Event Protocols

Attendee/Participant Requirements During Events

Processing for event entry:

1. Attendees are required to put on a face mask prior to entrance
2. Temperature screening will take place prior to your entrance by staff member
(Temperature will need to be fall below 100.3 per CDC)
3. After temperature screening, enter venue and head to the check-in table
4. Participants will either be asked to use hand sanitizer OR wash their hands
5. Staff will give instructions on what seats are available and how to pick up meals (if applicable)

Additional Protocols:

- Handshake-free event; use one of the alternatives such as a hand wave, "foot-shake" or an elbow bump
- We ask that participants wear masks during the event (Exception will be made while consuming food & beverage)
- Hand sanitizer and masks will be provided
- Social distancing of 6 feet will be encouraged
- Participants from the same group/business will be seated together if available
