# HVAC PROFESSIONALS

When you buy a new car, do you run it 100,000 miles without getting the oil changed? Not a chance. It's the same idea with your home's heating system. Annual maintenance keeps your furnace working efficiently and reduces the chances of an unexpected midwinter breakdown. - Jason Gasasman, Bell Brothers Heating & Cooling

# Ambassador Spotlight

**Luana Savings Bank**  
Residential Loan Officer  
[luanasavingsbank.com](http://luanasavingsbank.com)

## BRANDON CONVERSE

I am a Residential Loan Officer for Luana Savings Bank. Established in 1908, with 6 locations in Iowa (3 being in the local Metro area) we have deep roots in Iowa and the communities we serve. I enjoy being our bank representative with the chamber and look forward to our partnership continuing to grow into the future.

### **What do you like about being an Ambassador?**

Being an Ambassador is a great way to meet new and longtime business owners and their staff who have joined the Ankeny Area Chamber. I enjoy the opportunity to welcome the new members, and to be a part of a team of Ambassadors who really want to see the member businesses grow through opportunities the chamber has available.

### **How has membership in the Chamber helped you and your business?**

Chamber membership has benefited me personally and professionally. Nearly all of my friendships in Ankeny can be traced back to the Ankeny Area Chamber of Commerce.

The friendships and connections I have made in just a few years is a testament to the value of the chamber and the character of the members. My involvement with the Ambassador Committee and Board of Directors has cultivated greater friendships and business relationships as well. Many of my professional referrals go to and have come from connections made with the chamber.

### **What is your favorite Chamber event or program to attend and why?**

My favorite events to attend are the golf outings and Lattes and Leads. The Lattes and Leads event is an ideal way to network with members while enjoying some coffee, perhaps sharing a few laughs, and often times getting an inside look/tour of the business hosting the event. The Spring Fling and Fall Ball golf outings are a nice way to interact with members outdoors in a fun, relaxed setting. Whether sponsoring a hole or playing golf, it is always a great experience!

# THANK YOU!

# Ambassador Spotlight

**Ankeny Funeral Home & Crematory**  
*Field Operations Support Assistant*  
[ankenymfuneralhome.com](http://ankenymfuneralhome.com)

## TIFFANY TOPE

My role at Ankeny Funeral Home & Crematory is office support staff. I assist our Location Manager and Office Manager on the day-to-day and behind-the-scenes business. I am also in charge of our community outreach and support endeavors in the Ankeny and Ames areas which allows me to be able to take part in Ankeny Chamber and community programs and events.

### **What do you like about being an Ambassador?**

I like being an Ambassador because it gives me the opportunity to learn about new or existing businesses in the Ankeny community, as well as meeting new people! It is great to be able to develop new relationships and help businesses increase their networks.

### **How has membership in the Chamber helped you and your business?**

Being a part of the Chamber has helped me increase my network and make new friends. It has helped my business get its name out there more to people who may not have heard of it before.

### **What is your favorite Chamber event or program to attend and why?**

My favorite Chamber event to attend would be Lattes & Leads. I'm not a big coffee drinker, but there is something about being able to network first thing in the morning that makes the day better. You get to see people you know, plus meet new ones that just jump starts your day.
